

THE Krystal Diaries

A LIFESTYLE BLOG

Hi There!

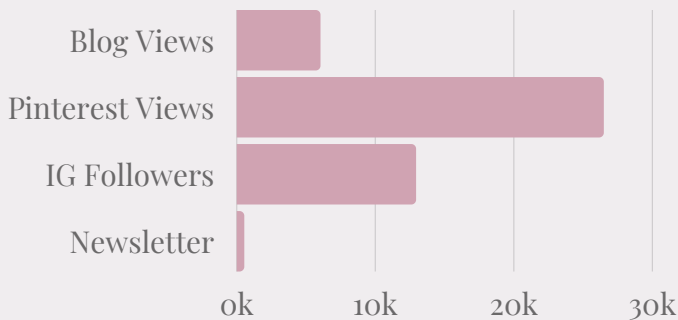

I'm Krystal Sanchez, a New York based Lifestyle content creator. A born & raised New Yorker, you'll find me living right outside NYC on Long Island. I am a wife, mother to a baby girl and proud Latina.

I graduated college with a B.A. in Language and Literature. Shortly after graduation, I entered the corporate world and needed a creative outlet which led me to create this blog.

The Krystal Diaries was established in 2013 and rebranded in 2016. It's a Lifestyle hub for the millennial female. You can find everyday inspiration, follow along on my motherhood journey, wellness tips, affordable shopping tips, the latest books, travel inspiration and more.

In 2022, I left my corporate job to focus on The Krystal Diaries full time.
